

JOB DESCRIPTION

Position: Food R&D Executive

- Unit: Innovation
- Location: Ho Chi Minh City
- Report to: R&D Manager

Being founded on industrial expertise and a marketing mindset, since 2003, GroupG Asia Pacific has set the mission of creating high-quality care products for life. Based on the fundamental philosophy of supplying specialty ingredients to food, cosmetics, and pharmaceutical manufacturers in Asia, we have taken on the challenge of pursuing a comprehensive solution model with innovation at its core.

Along with the development of society, humans seek values beyond consumption, which is “Living a happier and healthier life” through the improvement of food, lifestyle, healthcare, and environment. For this goal, a one-way supply chain that starts from raw materials, manufacturing, to consumption is no longer enough. Instead, it is a more flexible and multi-dimensional value connection to take full advantage of all partners. GroupG Asia Pacific, therefore, believes in the philosophy: **Creative Partnerships and Innovative Solutions** are the keys that enable us to create **Shared Values**.

We are looking for this critical position to become part of our professional innovative and dynamic group.

Key Responsibilities

- Develop products and create lab samples based on project requirements from sales and new product ideas derived from Innovation Hub's market research.
- Participate in and support research, consult on formulas, and manufacturing processes for new product development projects for clients.
- Collaborate with suppliers to develop projects and provide regular reports to suppliers and management.
- Communicate with suppliers regarding sample-related issues, documentation, and customer feedback.
- Conduct in-house training on technical/product aspects.

Qualifications

- University Graduate majoring in Food technology or related fields.
- 3 years of technical experience in the Food ingredients industry.
- English proficiency.
- Strong teamwork and personnel management skills.
- Excellent communication skills and a high sense of responsibility.
